

50TH ANNIVERSARY

Honoring the Past: Dancing into the Future...

*It is 1961: the Grand Kabuki comes to New York City for the very first time,
Bringing with it the extraordinary performer, Fujima Nishiki.
Settling in the city, she establishes a class at the Nippon Club,
Teaching Japanese classical dance in the elegant Soke Fujima style.
It is this dance class that ultimately became IchiFuji-kai,
Now representing the Soke Fujima-ryu in the greater New York area.*
